NOTICE OF FILING AND HEARING

DOCKET NO. 2009-473-WS

TEGA CAY WATER SERVICE, INC. – APPLICATION FOR ADJUSTMENT OF RATES AND CHARGES AND MODIFICATIONS TO CERTAIN TERMS AND CONDITIONS FOR THE PROVISION OF WATER AND SEWER SERVICE

Tega Cay Water Service, Inc. (Tega Cay or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and charges and modification of certain terms and conditions for the provision of water and sewer service. Tega Cay is a public utility, as defined by S.C. Code Ann. § 58-5-10(4) (Supp. 2009), providing water and sewer service to the public for compensation pursuant to rates approved by the Commission in Docket No. 2006-97-W/S.

Pursuant to S.C. Code Ann. § 58-5-240 (Supp. 2009) and 26 S.C. Code Ann. Regs. 103-512.4.A and 103-712.4.A (Supp. 2009), the Company requests that the Commission approve an increase in its monthly water and sewer service rates. Pursuant to Regulation 103-703 (1976), the Applicant further seeks Commission approval to provide that the Utility may disconnect those customers who do not annually have cross connections which may be installed, permitted or maintained between the Utility's water system and any other non-public water system inspected by a licensed certified tester and fail to provide to the Utility no later than June 30th of each year a copy of a written inspection report and testing results submitted by the certified tester in accordance with 24A S.C. Code Ann. Regs. 61-58.7.F (Supp. 2009). The Applicant also proposes to amend its rate schedule to provide that, in lieu of mailing its customers a paper bill, it may provide an electronic bill to its water and sewer customers on the Company's website if requested by the customer in writing. Finally, the Company proposes to increase its approved Fire Hydrant fee to be charged per hydrant per year for water service to reflect an increase equal to the proposed increase in water service rates.

In support of its request for an adjustment in the Company's water and sewer rates, terms and conditions Tega Cay states, among other things, that the proposed water and sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, comply with standards and regulations set by the Department of Health and Environmental Control and other governmental agencies, and earn a reasonable return on its investment and attract capital for future improvements. The Company also asserts that the proposed water and sewer rate increases are necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services.

THE PROPOSED CHANGES IN THE RATES AND CHARGES ARE SET FORTH BELOW
(The complete rate schedule is available from the Company at the address below and on the
Commission's website at www.psc.sc.gov)
